Qualifying Accessories

Reme Halo Air Purifier

- Purifies and cleans air through ionization and ultraviolet light.
- Destroys pollutants such as allergens, odors, viruses, bacteria, and mold.
- Tested and independently verified to effectively reduce VOCs and particulates.

Aprilaire MERV 13 Media Cabinet

- Removes up to 99% of airborne allergens, dust, and pollen particles.
- Improves indoor air quality by capturing particles such as pet dander, mold spores, and VOCs as small as 0.30 microns.

Aprilaire Steam Humidifier

- Improves indoor air quality by reducing the risk of respiratory illness.
- Protects home from dry air damage.
- Adds moisture to dry indoor air, improving comfort and reducing static electricity.

Bypass Humidifier

- Affordable solution for adding moisture to dry indoor air, improving comfort, reducing static electricity, and protecting wood furnishings from damage.
- Maintains optimal humidity levels which enhances overall well-being.

Aprilaire Dehumidifier

- Designed to remove excess moisture from the air, making the home more comfortable and healthier.
- Helps prevent mold growth, reduces the risk of respiratory problems, and protects furnishings from excess humidity damage.

MERV 11 Filter Cabinet

- Reduces filter replacement intervals and allows for easy filter replacement.
- Provides a greater surface area for capturing pollutants, making it more effective than a standard 1" filter.

Why Choose All Seasons Heating & Air Conditioning?

- Over 30 years experience
- Unparalleled customer service
- Tailored advice and solutions
- Knowledgeable, courteous, uniformed technicians
- Fully licensed and insured

Accessories We Recommend

iWave-R Air Cleaner

- Whole home air purification system that neutralizes and removes airborne pollutants, bacteria, viruses, VOCs and odors.
- Utilizes patented needle-point bi-polar ionization technology and needs no maintenance.

Wet Switch Flood Detector

- Water detection device designed to prevent water damage to HVAC systems and surrounding areas.
- Shuts system off when water is detected.
- Reduces risk of mold growth and prolongs the life of the HVAC systems.

Surge Protector

- Provides high-level surge protection, safeguarding sensitive equipment from surges, spikes, and voltage fluctuation.
- Protecting HVAC systems from power surges can extend the life of the equipment and save thousands of dollars in repair costs.

Ecobee Pro Smart Wi-Fi Thermostat w/ Voice Control

- Customizable color touchscreen that displays temperature, weather, and system status.
- Learns user preferences and automatically adjusts settings to optimize comfort and energy efficiency.

Ecobee Pro Thermostat with Indoor Air Quality

- High-performance smart thermostat that monitors indoor air quality.
- Allows user to remotely adjust settings and schedule vacations.
- Works as a Smart Hub with seamless integration of other smart devices in home.

Honeywell T6 Wi-Fi Thermostat

- User-friendly interface with large touchscreen display.
- Can be controlled remotely by smart phone, tablet, or computer using the Honeywell app.
- Efficiently control settings and save energy.

We are dedicated to assisting you with your indoor air quality and comfort with respect to your health, budget, and the environment.
